"Kodak Week"

This week we celebrate as "Kodak Week" in all our stores—it will be a week devoted to introducing our new Kodak Departments, in each store, where genuine Eastman Kodaks, Cameras, Films and supplies will be completely stocked.

Peoples Kodak Departments will endeavor at all times to give a helpful service to Kodak owners. You're going to give someone a Kodak for Christmas, it is the supreme, ever reminding gift. Let us give you a prettily illustrated Eastman Catalog and show you this superb line.

FREE! There is a decided difference in Kodak Finishing, and we believe Hicks' finishing to be unquestionably the best in Washington.

Hicks prints on a gloss paper and brings out every desired feature on the film, clearly and beautifully—it takes a little more time, because the best work cannot be done in haste—yet we promise a 24-hour service.

With Mr. Hicks' compliments we will develop and print one roll of films for each customer in our Kodak Department during Kodak Week. This is to definitely prove to you that Hicks' Finishing cannot be excelled.
